REDEFINING EXCLUSIVITY IN TRAVEL

Do Not Disturb is the show that is redefining exclusivity in travel, gathering the crème de la crème in ultra-private travel together for four days of networking and meetings in a much-celebrated new format.

Taking place in Puglia, Italy, Do Not Disturb 2023 will bring together up to 125 high-end international suppliers, up to 125 top-tier buyers catering to the UHNWI and 15 globally recognised journalists.

Should you wish to connect with these leading players in private travel but don't want to be tied down to an official meeting schedule - we are inviting you to book a **Free-flow Pass** and join us in Puglia this November.
