

# MASSERIA CORSANO

WHERE NATURE REIGNS SUPREME  
NARDÒ

The concept of the Masseria evolves around a simple idea: allow the nature, with its original elements, to do its course and shape the present.

Masseria Corsano arises among rocks that plunge into the crystal-clear waters of the sea, the golden beaches, and fields of olive trees, a few steps from the sea.

The rooms are oriented east to west to enjoy the best shades of Salento light from sunrise to sunset. Masseria Corsano is fully committed to the planet and celebrates the traditions and the soul of our land, Puglia, its flavors and colors.
