

PALAZZO LECCE A BAROQUE DREAM

LECCE

In the very heart of the historical center of Lecce, Palazzo Lecce is an historic building once private residence of a noble family. Art and modernity come together revoking elements from the Greek and Latin world, embracing the multicultural historical heritage of the city.

An incredible terrace, opens the view to the landscape of the city.

“Live in the present, find your eternity at all times.” Enjoy a quiet moment in the timeless spa.
