

# VILLA VITALE

## A CONTEMPORARY TWIST OF A CLASSIC MASSERIA CISTERNINO

Villa Vitale, in the heart of the Itria Valley, offers in creative and original ways a strong and sincere yet silent relationship with the nature and culture of the place, with colours and generous bounty that follows the natural cycle of days and seasons.

The Masseria from the 18<sup>th</sup> century has been recently restored, combining the ancient profile of the Masseria, bold and contemporary design choices and uncontaminated beauty of the exterior natural surroundings.

A harmony of ensemble is created that will guide you in a journey of reconciliation with themselves and the energies of nature.
