## NATURALLY...SALENTO

TRUFFLE BREEZE AND DELICIOUS LUNCH

Surrounded by nature unexpectedly at almost no distance from the sea the adventure begins!  
A truffle hunt and extraction like no other led by truffle masters Aldo and Giuliano Borgia. Together with their truffle dogs Fara, Luna, Gemma and Kora, who will become your best friends for a day you will live a magical hunt of the precious hypogeous fruit whose search and extraction are protected as an Intangible Cultural Heritage by UNESCO.

Our local friends will share with you the secrets of this world and by the end of the day you will become a truffle expert bringing back home an enriched cultural baggage. As a cherry on the cake, you will enjoy a visit to the synergistic orchard, to the family "tartufai" and a special fresh truffle-based lunch accompanied by sommelier's selection of local wines.

## NATURALLY...SALENTO

OTRANTO, A FORTRESS ON THE SEA

A fortress on the sea. Otranto is the most eastern village in Italy, that thanks to its peculiar geographical position has always been a crossroads between East and West. The historic center of Otranto is a maze of narrow streets to discover in the walking with our local friend.

The most enchanting part is the Castle, built to defend the city; furthermore, Otranto has a magnificent Cathedral that was built in 1088 and preserves the remains of the 800 martyrs of the Turkish invasion of 1480. Moreover, the magnificent "Cava di Bauxite", is undoubtedly a must see!
