THE AUTHENTIC SPIRIT OF PUGLIA

A BOTANICAL BLISS

Embark on a beauty journey with our sensory experience, deeply rooted in the holistic world of our Herbarium. This unique space is designed to foster a harmonious relationship between humans and their surrounding environment. At the heart of our project lies ethnobotany. Each team will be tasked with discovering the botanicals used in our Herbarium Baptism, the opening ritual of every massage or treatment.

The search will be preceded by an introduction and an aromatherapy path, tailored to the seasonal botanicals, allowing participants to identify the plants currently present at the estate. It will feel like being part of the Herbarium team, gaining new skills and insights into the world of ethnobotanical beauty.

THE AUTHENTIC SPIRIT OF PUGLIA

BIKE TOUR AND CHEESE TASTING

Immersed in the evocative Apulian countryside you bike through the classical Apulian countryside. The route begins among the rows of olive trees, where the silver green of the leaves is mixed with the warm color of the earth. Cycling you will reach the Dolmen, a megalithic and mysterious monument, testimony of a distant past. The walk among ancient olive trees and monuments which are surrounded by dry-stone walls and shaded porches, will be followed by a cheese tasting in a local cheese factory. An experience for those who want to connect with the authentic and spiritual beauty of the Apulian countryside in connecting with nature, history and tradition.
