

KEYTHORPE HALL
PRIVATE HOUSE AND WALLED GARDEN

KEYTHORPE HALL

FARM TO TABLE MEETS QUIET LUXURY

Keythorpe Hall is offering a 2-night itinerary to experience the unspoilt area in the heart of the UK that is becoming known as the Notswolds...

Harvest produce from the Victorian walled garden for a masterclass with Chef Bent and floristry with Barbara. You will tour local villages by e-bike, experience the celebration of foiling of the Gunpowder Plot at Guy Fawkes night and be taken on a wild food and foraging walk by our resident ethnobotanist Claudio Bincoletto.

The deep history of this area will be woven into your visit as will the sustainable story that is the backbone of everything that Keythorpe Hall has to offer. The menus will champion the best produce from the walled garden and local farms and artisan producers. Keythorpe hall is the perfect private venue for family and friends groups to reconnect under one roof and build memories to treasure.
