SOUTHERN VISIONS

LA FIERMONTINA & SOUTHERN VISIONS TRAVEL

PUGLIA DREAMING

Southern Visions Travel, in partnership with La Fiermontina Luxury Home, invite you to a sensory journey across the southern part of Puglia region. Delve into the underrated area of Lecce, the leading Baroque town of the region, and its hidden treasures.

This all-inclusive three nights, four-day journey starts with the highest experiential and gastronomic services proposed by La Fiermontina as you'll indulge in a delicious dinner.

Time to unleash your creativity as you'll experience first-hand encounters and hands-on workshops with well-renown local artisans.

Spend a day exploring the little gems of the Adriatic coast and uncovering the secrets of a thousand-year-old wine-making family.

Familiarize with the properties of La Fiermontina on an Art tour and immerse yourself in the region's rich culinary traditions.

Delve into Italy's heel as an impressionist painter: stroll through slow-paced villages, listen to the locals' genuine stories from the past and savour the tastes of the produce of the land. Puglia is the region which will rejuvenate your mind, body and soul.
