Step into the beating heart of Puglia with **Heritage in Motion**, an immersive journey designed to reveal Lecce's golden baroque beauty, hidden corners, and authentic soul. LA FIERMONTINA COLLECTION

BETWEEN ART AND DESIGN

In the heart of Lecce, the Fiermontina Collection brings history to life, where ornate palaces and intimate homes pulse with contemporary spirit. Palazzo Bozzi Corso charms with frescoed ceilings, sunlit salons, and corners steeped in centuries of stories, while Fiermontina Luxury Home offers sleek, tactile spaces for quiet reflection and modern indulgence. Guests drift through cobbled streets alive with art, music, and whispered secrets of the baroque city, then return to terraces and courtyards where golden light paints evenings with conviviality and wonder. Every detail - stone, linen, and fragrance - celebrates the dialogue between past and present, inviting travelers to experience Lecce not as a snapshot in time, but as a living, breathing city that embraces both heritage and reinvention.

An extraordinary museum within the Foundation adds a contemporary dimension, showcasing The Fiermontina's dedication to heritage and reinvention.

HERITAGE IN MOTION: LECCE

STROLLING THROUGH TIME

Lecce is not simply walked - it is unveiled. As you enter the historic center, your steps follow the traces of millennia: the Roman amphitheater hidden beneath the main square, medieval alleyways that bend like a labyrinth, and the theatrical flourishes of Baroque façades carved from the city's golden *pietra leccese*. Along the way, doors will open that remain closed to most - secret entrances to cloisters, noble palaces, and courtyards that guard the soul of the city. Guided through these layers, your gaze will be constantly lifted, caught by cherubs, masks, and stone lacework that transform every building into a story. Lecce reveals itself as both stage and spectacle - a city where history does not sit in books, but towers, whispers, and glimmers around every corner.
