## A TALE OF STONE AND LIGHT FROM THE WHITE CITY TO BAROQUE SPLENDOUR

The journey begins in Ostuni, the celebrated White City, where guests explore its winding streets and dazzling historic centre aboard iconic Apecar, enjoying a unique perspective on one of Puglia's most enchanting towns. Following a leisurely lunch at a traditional osteria, the experience continues to Lecce, the capital of Baroque art in Southern Italy.

As evening falls, guests discover the city's timeless elegance through a special visit centred on the extraordinary rose window of the Basilica di Santa Croce, whose intricate stonework reveals the mastery, symbolism and beauty that have earned Lecce its reputation as the "Florence of the South". A dinner inspired by local traditions completes the experience.
