LECCE

THE ART OF SALENTO UNFOLDING LIGHT AND ELEGANCE

In the heart of Lecce, the Fiermontina Collection brings history to life, where ornate palaces and intimate homes pulse with contemporary spirit. Palazzo Bozzi Corso charms with frescoed ceilings, sunlit salons, and corners steeped in centuries of stories, while Fiermontina Luxury Home offers sleek, tactile spaces for quiet reflection and modern indulgence. Guests drift through cobbled streets alive with art, music, and whispered secrets of the baroque city, then return to terraces and courtyards where golden light paints evenings with conviviality and wonder. Every detail - stone, linen, and fragrance - celebrates the dialogue between past and present, inviting travelers to experience Lecce not as a snapshot in time, but as a living, breathing city that embraces both heritage and reinvention. An extraordinary museum within the Foundation adds a contemporary dimension, showcasing The Fiermontina's dedication to heritage and reinvention.

THE ART OF WANDERING LECCE

Begin your experience at Fiermontina, welcomed with a glass of bubbles that softly introduces you to the warmth of Lecce. As you enter the historic center, your steps follow the traces of millennia: the Roman amphitheater hidden beneath the main square, medieval alleyways that bend like a labyrinth, and the theatrical flourishes of Baroque façades carved from the city's golden *pietra leccese*. Along the way, doors will open that remain closed to most - secret entrances to cloisters, noble palaces, and courtyards that guard the soul of the city. Guided through these layers, your gaze will be constantly lifted, caught by cherubs, masks, and stone lacework that transform every building into a story.

Lecce reveals itself as both stage and spectacle - a city where history does not sit in books, but towers, whispers, and glimmers around every corner.

SALENTO

THE ART OF SALENTO

Hidden traditions & elegance

Begin in Otranto, where time seems to soften beneath the glow of the sea. Here, an intimate truffle experience awakens the senses - a journey into the earth's hidden treasures, where each aroma speaks of the land's depth, warmth, and memory.

The journey continues toward Lecce in a place where delicate craftsmanship is lovingly preserved, tradition becomes something alive - not displayed, but breathed. It is a world of subtle hands and patient devotion, where beauty is shaped slowly, almost like a whispered secret passed through generations. The afternoon unfolds through moments of relaxation and refined discoveries at Patria Palace Hotel and the evocative Museo Fiermonte.

As evening arrives, dinner at Fiermonte Museum Restaurant offers the perfect ending, a sophisticated blend of local flavours, art and atmosphere.
